JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

account? Such puzzling questions of practice, which are at the fingers' ends of such an expert as Judge Widdifield, might well find place in a book for young practitioners. And we also regret that he has not had space for more of his own views and theories of probate law. In general, however, the work is thorough and well done, and this second edition is a book which an American lawyer will do well to have on his shelves.
